- **Concerts:**

- Mr D is working on how we can still possibly have concerts this year. After careful consideration and research, it looks like concerts will happen via students recording in separate band rooms during school. This will then be uploaded to a platform such as Youtube, so students can watch the performance with their families. More to come.

- **Other**

- We do not accept cash for any payments. All payments must be made by check (checks to be made out to CYCBA) or e-transfers.
- Students (and parents if you want), please download the Reminder app if you haven't already done so. You will receive important updates from Mr. De La Pena there.
- Each weekend, there will be a weekly update email. If you are not receiving these, there is a sign up for them on the LTSS music website (www.ltssmusic.com). If you have signed up and are not seeing these, please check your junk/spam inbox.
